JOY FOR LEARNING

[UNIQUE AREA RUGS FOR INSPIRED LEARNING CENTERS]

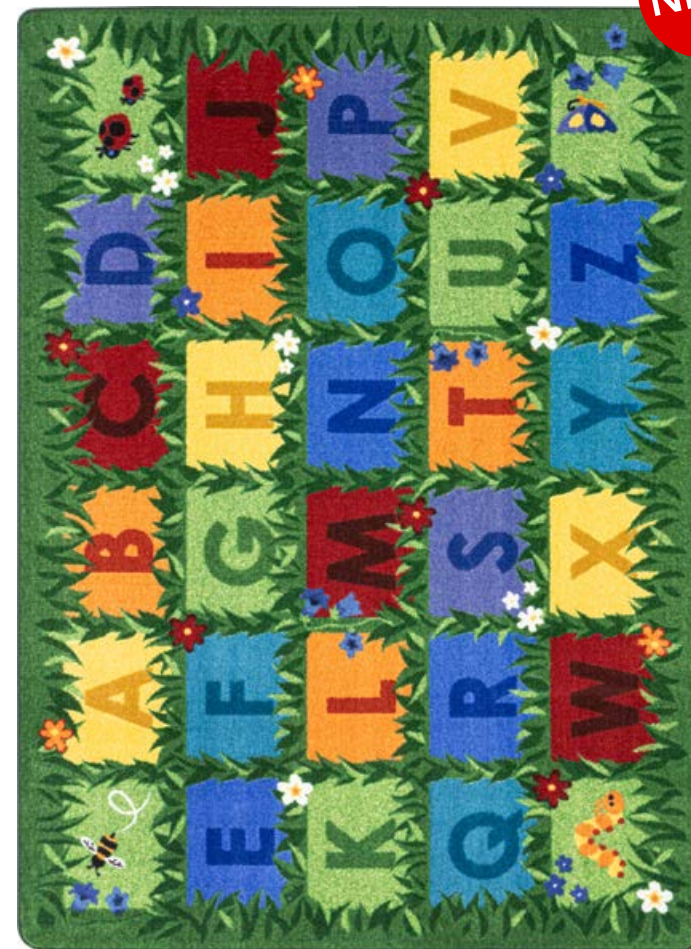

CLASSROOM CLASSICS

Field of Learning™ #2216

NEW!

Field of Learning™ features alphabet seating squares gently tucked amongst playful blades of grass where springtime bugs and blooms abound. Designed to encourage letter recognition, organization, and calm engagement, this rug will be a bright, happy addition to any learning environment.

Learning Garden™ #2208

NEW!

Learning Garden™ blends play and education in a cheerful outdoor-inspired design. At the center, a bright sun and soft clouds create a warm, inviting space that encourages discovery, imagination, and early learning.

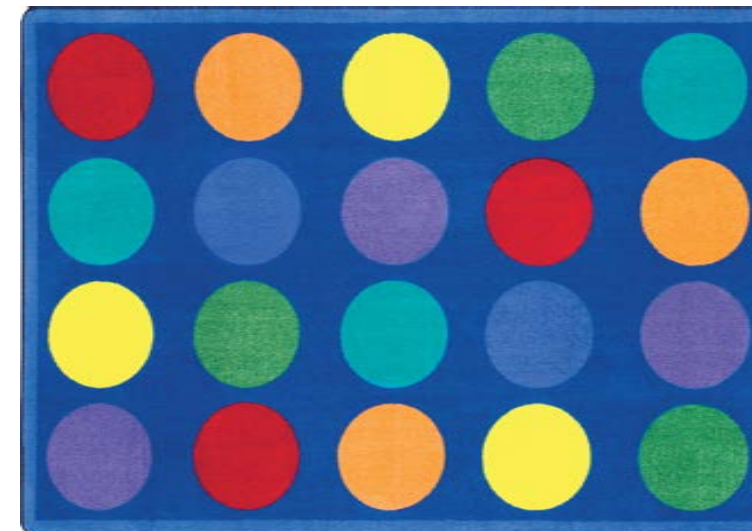

Watercolor Alphabet™ #2123

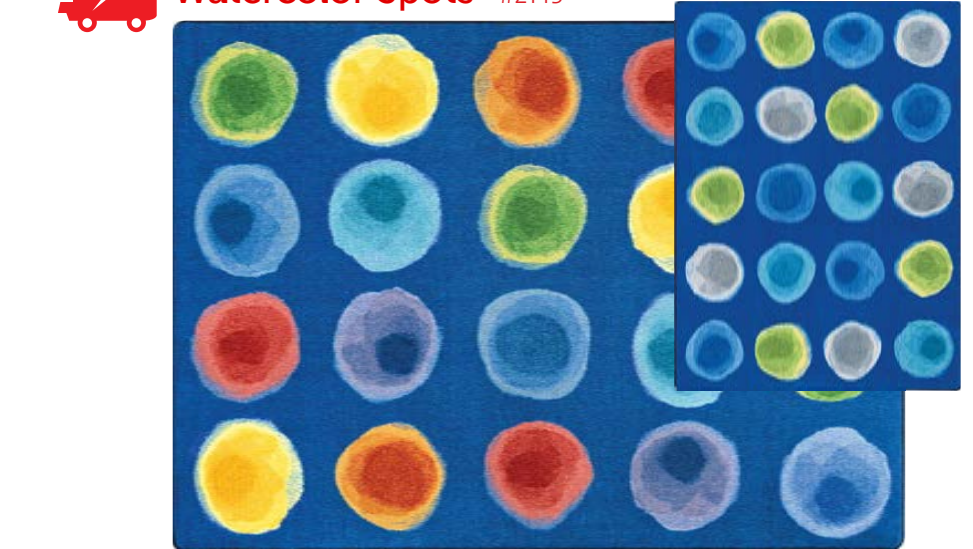

Set your classroom apart from the rest with Watercolor Alphabet™ on your floor. This uniquely designed rug takes the familiar alphabet to new levels with a colorwash technique that creates dimension, texture, and variation.

Choose a Color™ #2052

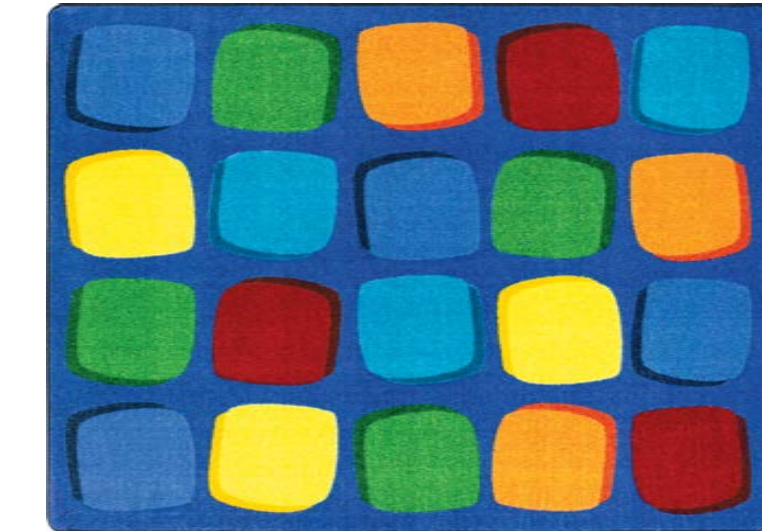

With this organizational rug's significant sized circles and multiple colors, every child in class is ensured a spot to sit.

Watercolor Spots™ #2143

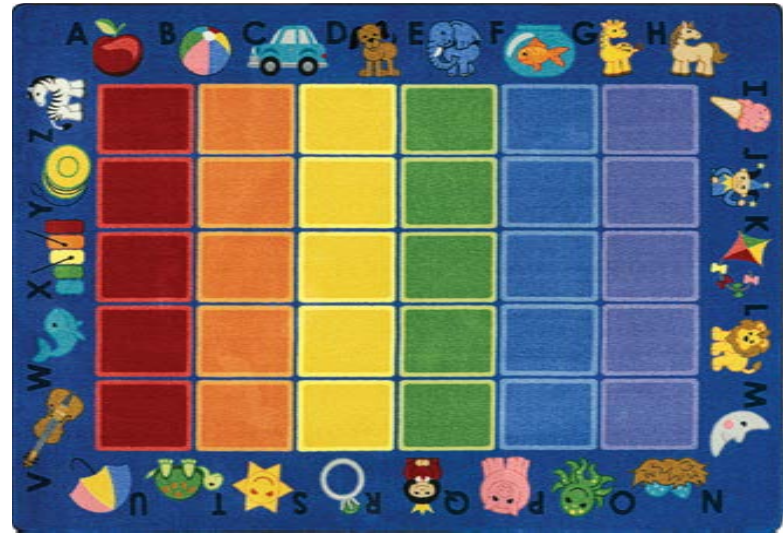

Watercolor Spots™ utilizes dramatic watercolor blooms organized in rows to create an unexpected interpretation of the classic organizational rug. Children will be drawn to the bright, blended layers of color and will be eager to spend time sitting, learning and playing on this colorful classroom carpet.

Seat Yourself™ #2101

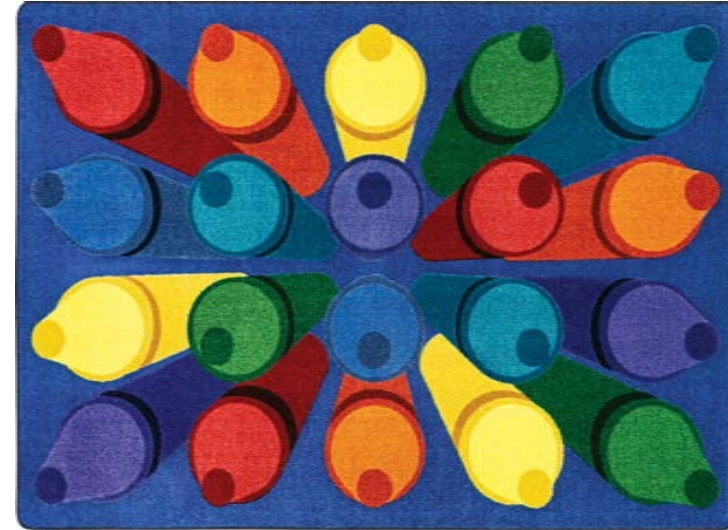

This whimsical rug has brightly colored squares designed to convey a playful feeling of movement and "wobble" that will attract children to the floor for circletime or group activities.

Smart Start™ #2187

Solid color spaces in the center of an alphabet border with phonetic pictures creates a unique space where children can gather during the day.

Colorific™ #2100

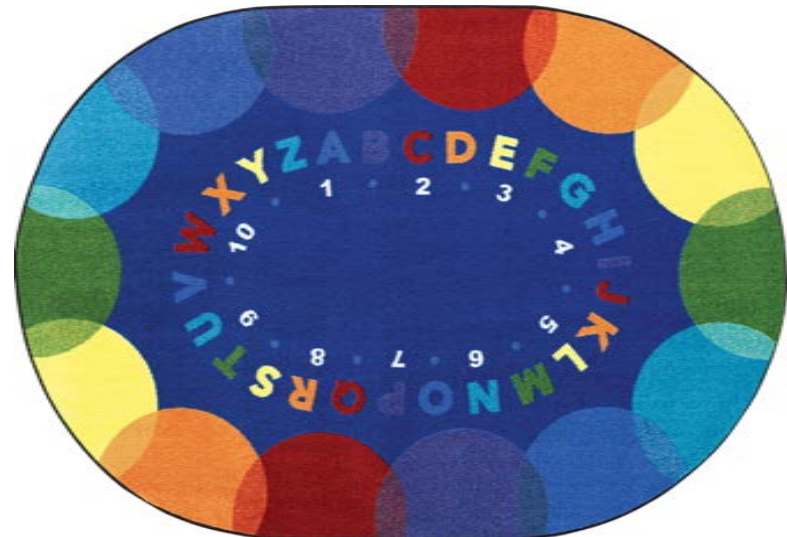

Colorific™ showcases the classic crayon design from a different “point of view!” Whether this rug is used as an organizational tool or a playful accent piece, it is certain to add an element of whimsy and fun to any early childhood space.

 **Color Tones™ #1897**

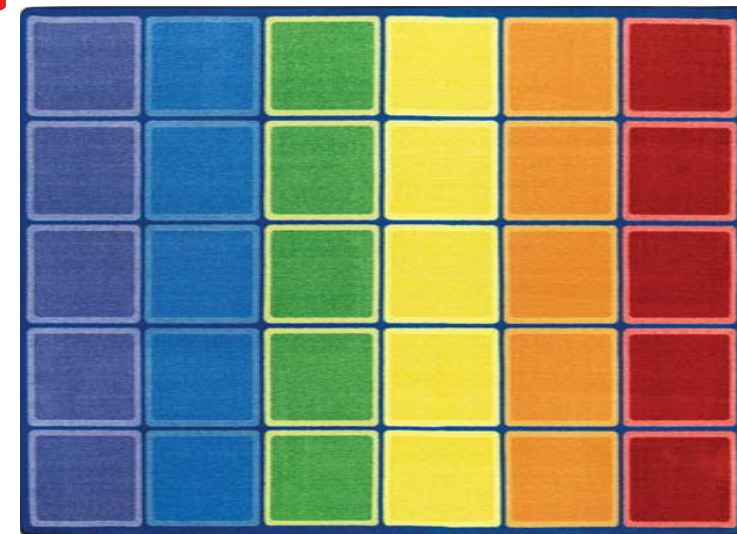

This simple yet functional rug is certain to be the focal point of any classroom with its bright and cheerful, multi-colored squares. Children will be eager to gather for playing, sharing, and circle time activities.

Take A Seat™ #2182

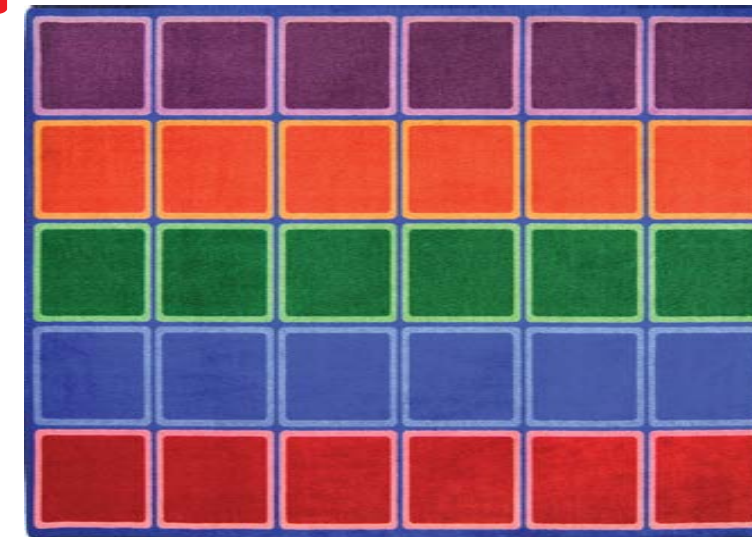

Not just your everyday classroom rug, this colorful carpet displays a decorative scalloped border that offers not only seating options but also teaches color relationships along with the alphabet and numbers.

 **Rainbow Blocks™ #2151**

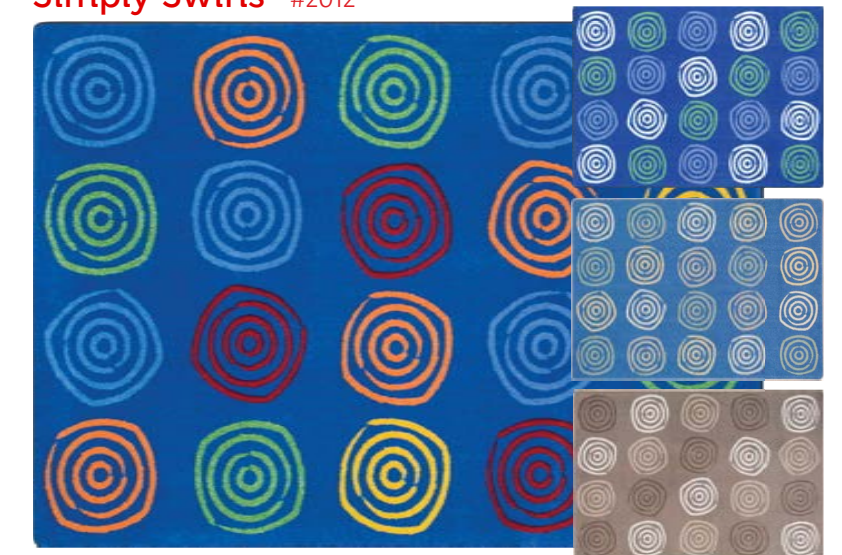

Colorful, functional, and fun, this cheerful classroom carpet features multiple rows of brightly colored blocks where young children can gather for group learning. Blocks offer plenty of wiggle room to make sure everyone has a personal sitting space.

 **Blocks Abound™ #1709**

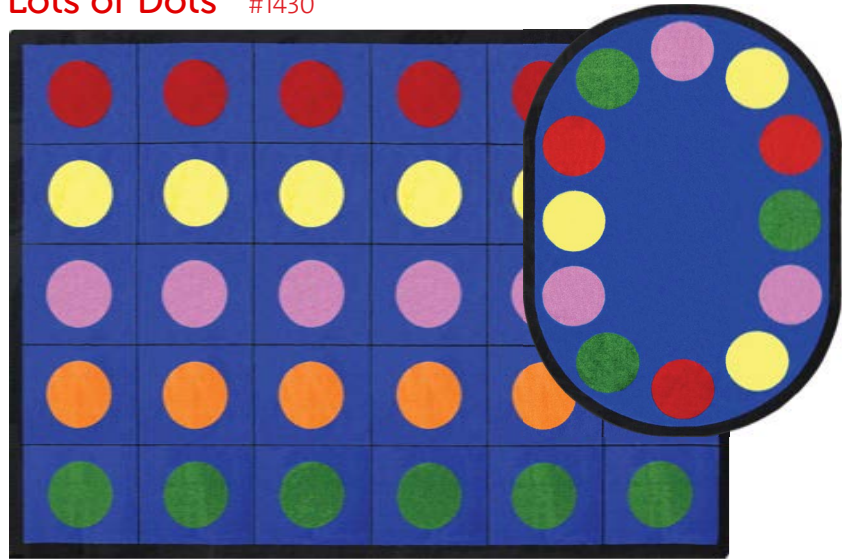

Don't have a “mental block” about getting “blocked out” of a space because “blocks abound” on this vibrant classroom carpet.

Simply Swirls™ #2012

Designed with modern day classroom décor in mind, children and adults alike will be attracted to these understated yet decorative classroom carpets. Offered in a range of size and color options, they are perfect for creating a soft, inviting space for conversation, relaxation, story time, or active play.

 Lots of Dots™ #1430

Make the transition from chairs to floor much easier with this organizational rug. Each row has a color, and each child has a dot. With generously sized squares, kids can keep elbows and knees tucked inside.

Rainbow Rings™ #2107

Introduce the timeless symbol of hope and promise into your classroom with Rainbow Rings™. Children will gravitate to the brightly colored rings where they can play, sit, identify colors, and participate in discussions about rainbows and our natural wonders.

 Beautiful Day for Learning™ #2180

Beautiful Day for Learning is a classic alphanumeric classroom rug with a captivating neighborhood theme where students can learn their letters and numbers through the act of play.

I Can Count™ #2181

Support number recognition and early counting skills with this brightly colored classroom rug. Alternating rows of colored blocks make classroom organization a snap!

 **Colorful Learning™ #2066**

Colorful Learning™ boldly displays the uppercase alphabet while large sitting squares provide ample space for classroom organization. Begin discussions about color, shapes, and counting with the icons in each of the four corners.

 **Alphabet Blues™ #1628**

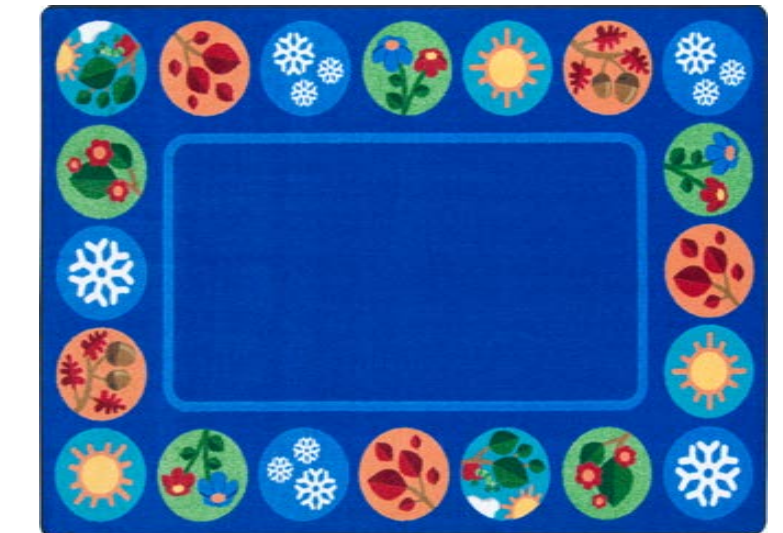

Alphabet Blues™ will bring a smile to your child's face. Learn phonetic sounds of the alphabet by identifying the fun animals, toys, and shapes pictured on this carpet.

Around the Block II™ #2009

A perennial best-seller in today's early childhood classrooms, numbers, uppercase and lowercase letters, seasons, shapes, animals, and fun are prominently displayed on this exciting classroom carpet.

Sit Around the Seasons™ #2023

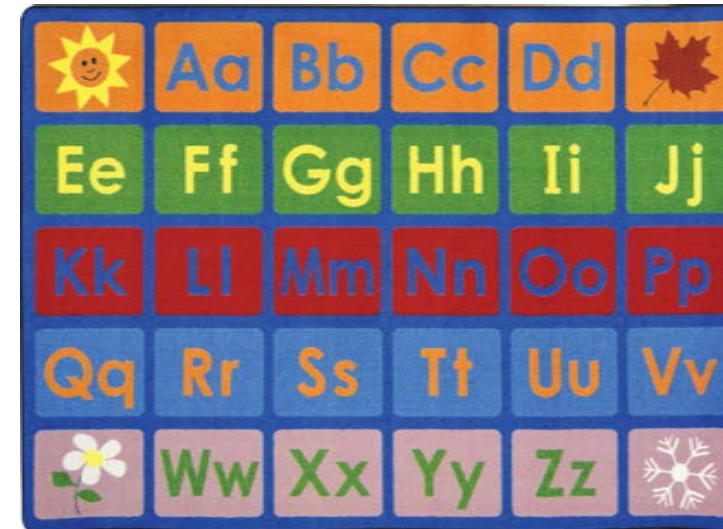

This educational carpet features the upper and lowercase alphabet, numbers, colors, and seasons to create a multi-functional learning space where children will be eager to gather.

 Alpha-Dots™ #1801

Simple lines and fresh, clean colors give an uncluttered look to this classroom carpet. The large alphabet letters on the colored dots are in sequence for young children, and shapes in the corners can be used as a beginning lesson in fractions.

 Any Day Alphabet™ #1710

Young children who are learning the alphabet will enjoy this colorful rug with both upper and lowercase letters. You can also begin discussions about the seasons with the simple shapes in the corners, and the individual squares will be a great organizational tool in the classroom.

 Noah's Alphabet Animals™ #1610

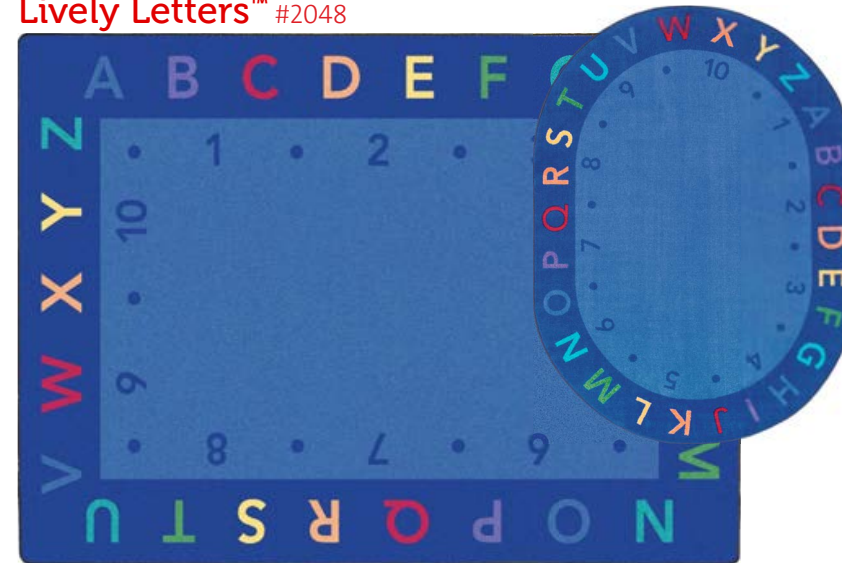

This special ark carries animals whose names begin with all the letters of the alphabet. Now children will be able to practice phonics as they pronounce the names of the animals.

Out of This World™ #2008

Take a journey through our Solar System with Out of This World™. Inspire a passion for astronomy, foster imagination, and encourage a long-term fascination with science and outer space.

Lively Letters™ #2048

Reinforce the alphabet and numbers on a daily basis with Lively Letters™ in the classroom. Designed with simplicity in mind, this rug is certain to be a popular gathering spot for learning, circle time, or play time.

America the Beautiful™ #1886

From the mountains, to the prairies, and everywhere in between, our beautiful nation is filled with both natural and man-made wonders. Pique students' interest in learning more about America and their individual states with this colorful carpet map.

Flags of Canada™ #1455

Canadian children will take pride in identifying their provinces and flags with this beautiful rug. Corresponding colored dots assist in matching the flags to the province.

READING & LITERACY

Peaceful Readers™ #2001

Literature has the power to whisk readers to far away places. Through the act of reading, students can escape everyday life while expanding their knowledge and exploring new ideas and unique forms of creative expression.

Discovery Books™ #2026

A library holds untold treasures just waiting to be discovered. Pick a cozy spot on this playful carpet and read yourself away to distant lands where unknown adventures await.

Read to Succeed™ #1438

You can be a success in any career when you have a firm foundation in reading. The sky is the limit, so aim high!

Books are Handy™ #1963

Children's reading spaces are important to learning and discovery, so dedicate an area to early literacy and introduce children to the boundless world of books.

Underwater Readers™ #2099

Don't be a fish out of water! Dive deep into the world of reading and literacy with Underwater Readers™. Children will have "oceans of fun" letting their imaginations run wild as they learn, discover and play on this inviting classroom carpet.

Read & Learn™ #1679

Put the focus on reading and literacy with this clever carpet featuring rows of colorful books, an alphabet oval, and a friendly bookworm to share in the fun!

Magic of Reading™ #2055

Dedicate an area in the classroom to literacy and learning with Magic of Reading™. Stimulate the imaginations of children while generating excitement about books and their ability to educate and inspire.

Books for All Seasons™ #2020

Reading should be a year-round pursuit, and with Books for All Seasons™ in the classroom, children can read, learn and start down the path to success in school and in life.

Reading Cave™ #2059

Children will let their imaginations run wild while they sit and enjoy their favorite book on this fanciful carpet. Through the magic of reading, they can explore far-away lands, and experience a boundless world of new adventures.

CULTURE & INCLUSION

La Fonica™ #2080

Practice phonetic sounds, learn to count, and introduce students to a second language with this unique teaching rug. Develop discussions about cultural similarities and differences while broadening students' overall global awareness.

First Words™ #2068

Learn a new language early and improve overall cognitive skills, verbal fluency, and cultural appreciation with First Words™. Students can identify familiar shapes around the border of the rug while also practicing the Spanish alphabet and numbers.

LenguaLink™ #1412

Introduce children to a second language with this exciting bilingual teaching tool. Familiar pictures with both Spanish and English words border the rug. Numbers and the Spanish alphabet are featured in the center.

Bilingual Phonics™ #1630

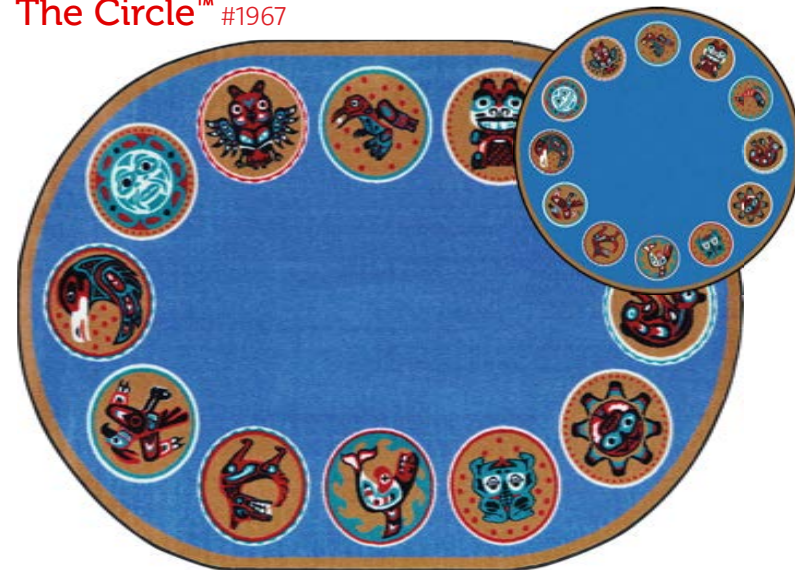

Practice phonetic sounds and learn a second language with this unique teaching rug. Each letter of the alphabet is represented by a familiar picture, while the rectangular spaces are perfect for organizational activities.

A World of Friends™ #1928

Communities are more culturally diverse than ever before. Encourage children to share information about their heritage, and discuss ways they can make friends from other cultures and backgrounds.

The Circle™ #1967

Introduce children to First Nations, Métis, and Inuit cultures with The Circle™. Each symbol is designed not only as a sitting space but also as a tool to provide unique insight into indigenous life.

 **Spirit of Truth™ #1554**

With a Medicine Wheel/Dreamcatcher at the center encircled by the Seven Teachings, the Spirit of Truth carpet will become a focal point for discussions of indigenous cultures and their unique traditions.

 **Hands Around the World™ #1488**

This irresistible classroom carpet with soft blended colors will spark lively discussions about world unity. Each child's home continent is represented on the colored bars around the carpet border, so students can determine the nationality of the child and the culture of the country.

Children of Many Cultures™ #1622

Emphasize our multicultural heritage with these charming children in native dress.

Wheel of Life™ #1968

In native cultures, the medicine wheel represents the interconnectivity of physical, emotional, mental, and spiritual realities. Use this carpet to honor and create discussions about the important teachings of First Nations, Métis, and Inuit peoples.

Traditional Teachings™ #1916

This attractive rug reinforces the seven basic virtues that form the foundation of indigenous cultures. Children will enjoy learning the history of these sacred laws and implementing them as they interact with others in their daily lives.

All Together Now™ #2179

Inclusivity plays a vital role in fostering students' sense of belonging and acceptance. This carpet highlights the importance of inclusion and neuro-aesthetics in the classroom, featuring soft hues, neutral tones, and organic shapes that create a welcoming atmosphere.

Alphabet for Everyone™ #2174

Young children who are learning the alphabet will enjoy this welcoming carpet with both upper and lower case letters. This carpet features soft hues and neutral tones that will support an inclusive classroom atmosphere.

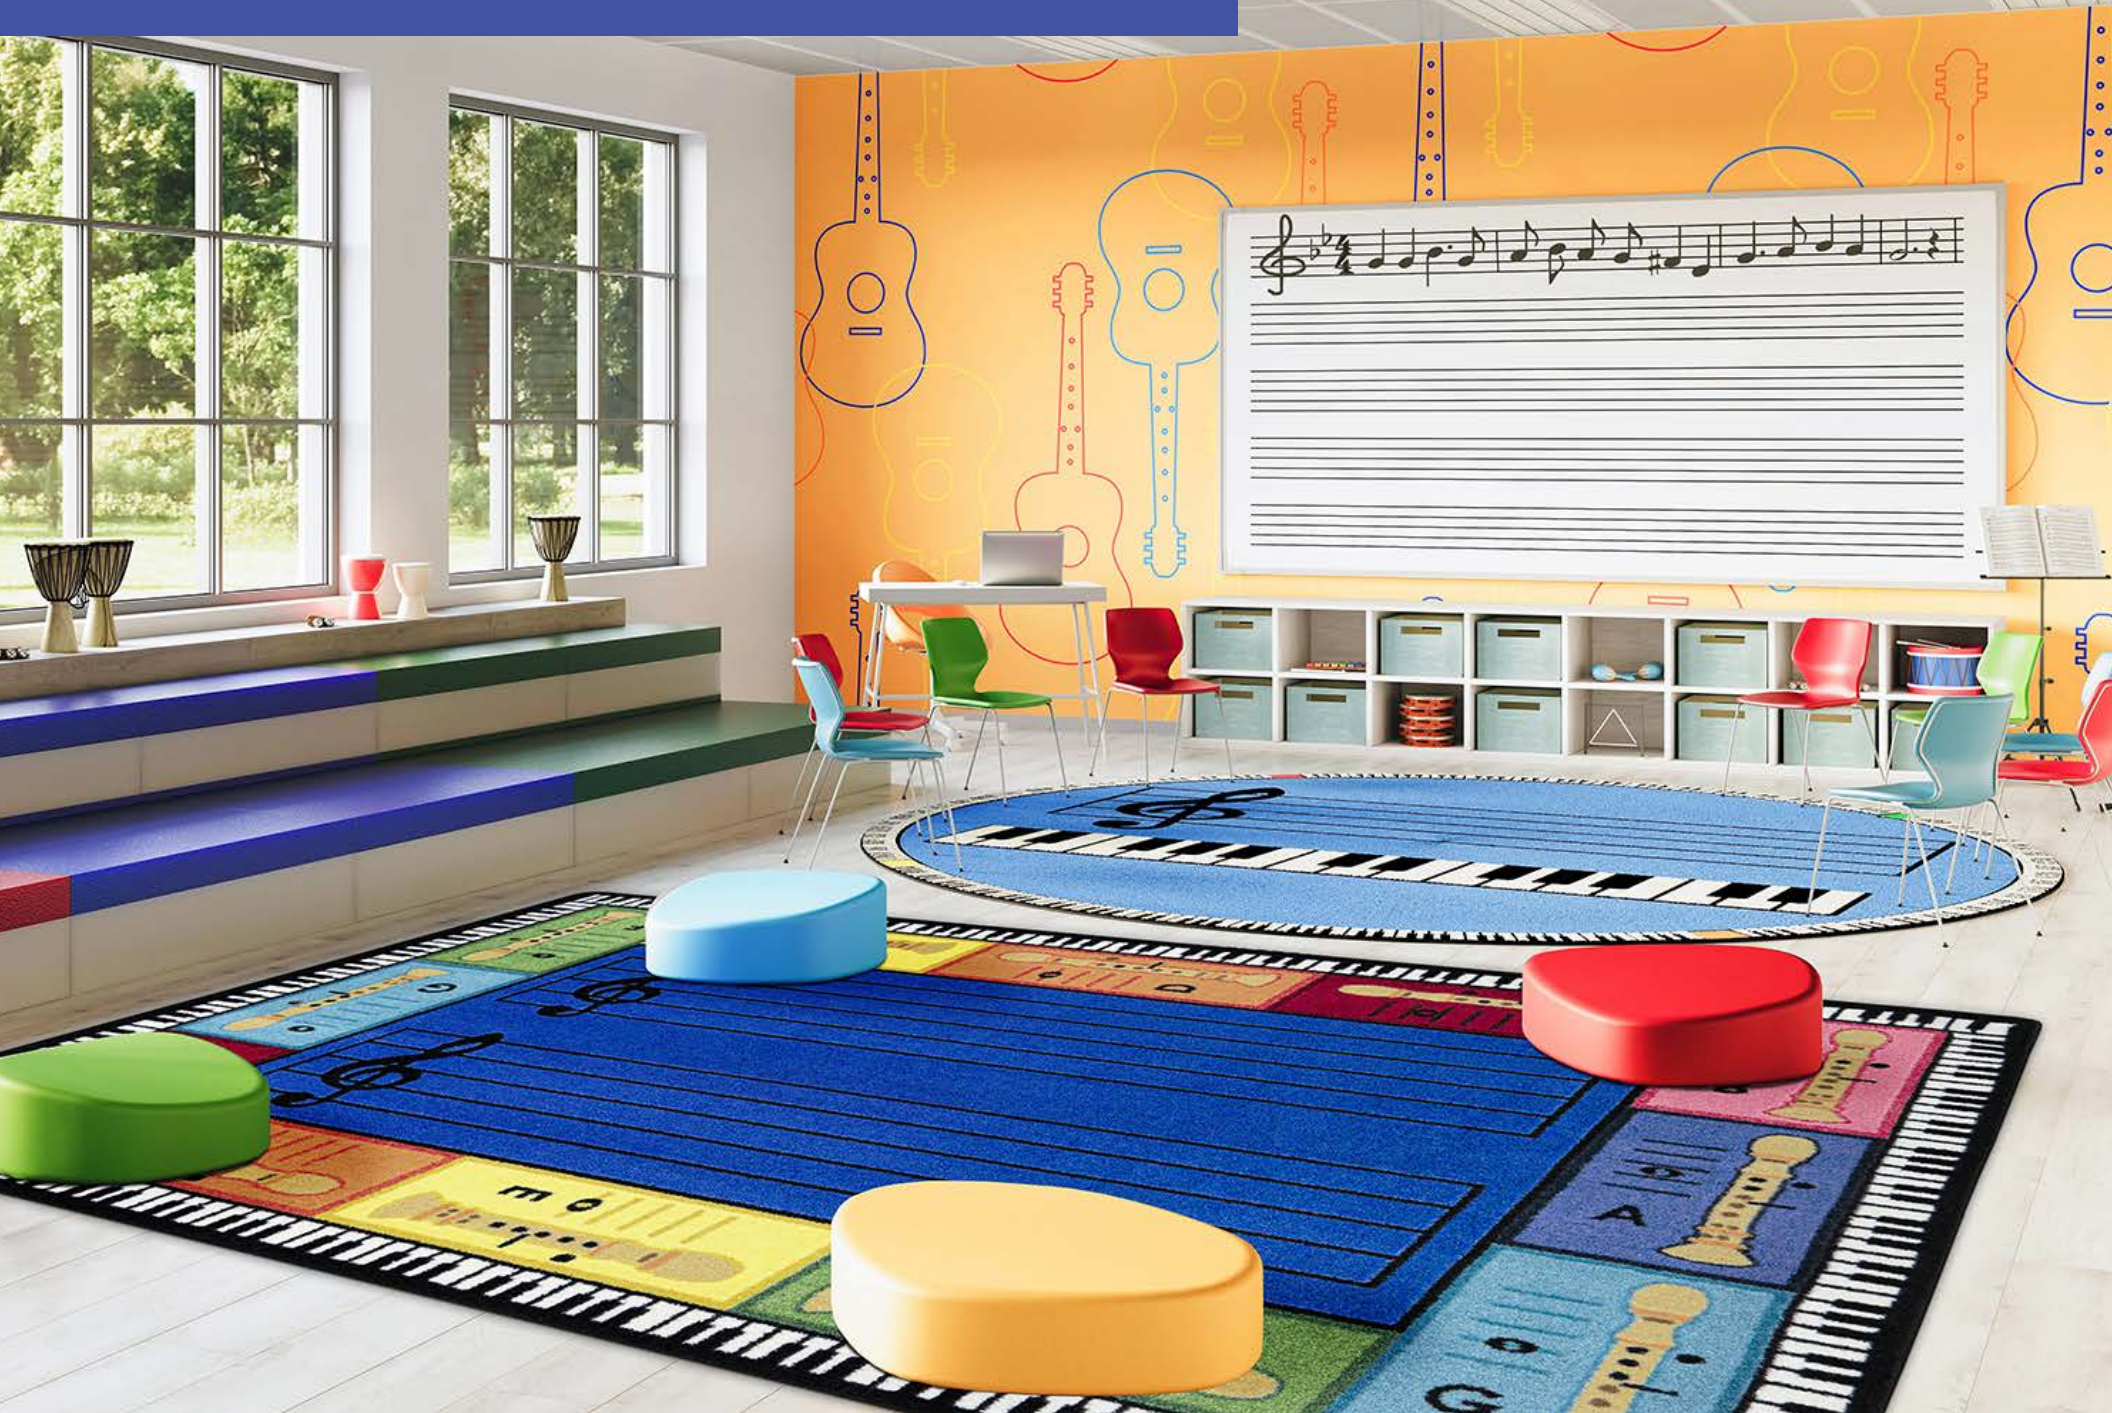

Faces of Joy™ #2209

Designed to create a welcoming and emotionally supportive space, this rug encourages comfort, belonging, and positive social interaction in classrooms and daycares.

CREATIVE ENVIRONMENTS

Note Worthy™ #1462

Music can be an invaluable addition to the classroom. Children can practice math skills, simple and complex rhythms, recognition of basic musical symbols, and note matching.

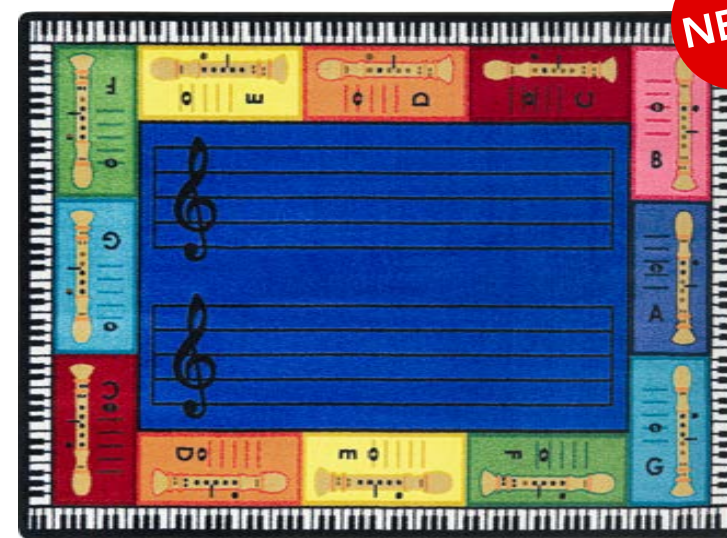

Play Along™ #1806

Create a rich musical environment and nurture a young child's musical abilities with Play Along™. This simple but inviting rug is perfect for children to discover the world of music through the act of play.

Recorderific™ #2186

NEW!

Strike the perfect chord with the Recorderific™ Area Rug! Designed to harmonize music education with vibrant design, this rug features two bold treble clefs in the center, a border of piano keys, and colorful rectangles displaying recorder fingering positions for notes A through G.

Pitch Perfect™ #2183

Pitch Perfect™ teaches Solfège hand signs to represent pitches in a musical scale. This allows students to connect the physical action with the pitch they are singing or playing.

COMFORTABLE SPACES

All Around™ #1898

Start school on the right foot with a classroom designed for learning and comfort. All Around™ color-coordinates with our complete line of educational rugs. Offered in multiple sizes, shapes, and colors to fit any early childhood space, this simple yet inviting rug is certain to create a welcoming, attractive environment when children are motivated to explore, create, and learn.

Rainbow Magic™ #2146

If you are looking for a bright and lively rug to breathe life into an otherwise boring classroom corner, look no further than Rainbow Magic™. This inviting rug incorporates playful transitions of watercolor brush strokes and will be a favorite gathering point for students and teachers alike.

Colorwash™ #2144

Utilizing a dramatic ombre effect that blends one color into another, Colorwash™ is certain to be the focal point of any room with its eye catching design that creates a sense of sophistication and depth. With a calming color palette inspired by nature, this unique rug is perfect for biophilic interiors or mindfulness spaces that emphasize calming, natural aesthetics as a backdrop for focused learning.

Feeling Fun™ #2104

Feeling Fun™ uses colors, textures and hues to create a welcoming, abstract design that will appeal to all ages. From the early childhood center to the high school learning commons, this rug is offered in sizes, colors, and shapes that will compliment a wide range of learning environments.

 **Endurance™ #80**

In environments where caregivers are required to sanitize with bleach, our Endurance carpets pass the test. Made with solution dyed polyester, these inviting area rugs resist soil, stains, bleach, and have antimicrobial protection.

 **Just Kidding™ #623**

Brighten up your room with the beautiful colors of Just Kidding™. Made with 100% BCF PET solution dyed polyester, these soft and inviting area rugs resist soil, stains, bleach, and have antimicrobial protection.

 **JOY in a Box™ Sitting Squares #832**

Today's classrooms emphasize student engagement and motivation, and flexible seating can play a major role in creating this modern learning experience. Joy Carpets Sitting Squares are a perfect mobile seating option that can be arranged in a variety of ways to create sitting areas tailored to the teaching needs of the day. These 16" x 16" carpet squares have a non-skid back, are washable with soap and water, and can be stored in a reusable, carrying case when not in use. Set of twenty-four.

NATURAL SURROUNDINGS

Dream Awhile™ #2220

Just Pretend™ #2218

Curious World™ #2217

Inspired by the mind's eye of a young child, this collection of rugs consists of abstract shapes and design elements that convey the magical lens through which children often see the world. Color, shape, and brightness are emphasized over minute details and subtleties, creating fundamental visual building blocks that help early learners develop symbolic representation, categorization, and spatial reasoning.

Friendly Forest™ #2224

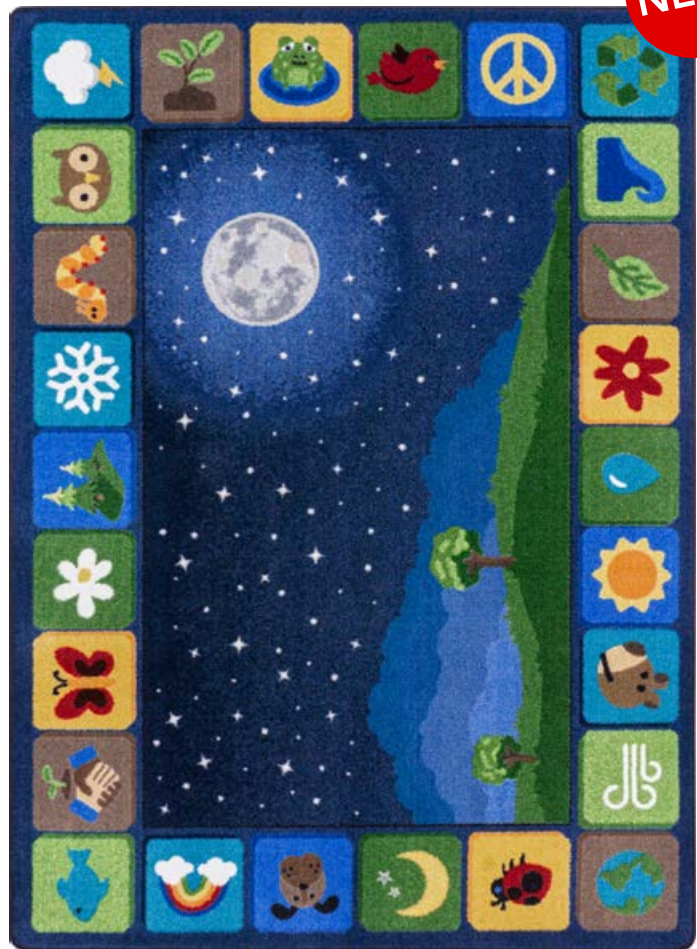

NEW!

Turn any classroom or reading corner into an inviting world of imagination with this nature-inspired educational rug. Featuring a vibrant blue-sky center framed by a cheerful forest border, it creates the perfect space for kids to gather, read, learn, and play.

Peaceful Planet™ #2207

NEW!

Teach children about their natural world and emphasize environmental stewardship with Peaceful Planet™. This calming rug features a moonlit nightscape bordered by playful, earth-centric icons that will spark curiosity in children and help them foster a deeper connection with nature.

 **Stumped™ #2051**

This delightful carpet is designed to create a whimsical woodland oasis where children can gather to play and learn. Accented with forest plants and critters, Stumped™ will attract and entertain teachers and their students throughout the school year.

Harmony Blocks™ #2102

Create the perfect classroom calming corner with Harmony Blocks™. With generously sized blocks and peaceful colors, this area rug will be an ideal place to practice self-awareness, manage emotions, and lower stress levels.

 **Shady Grove™ #1942**

Create a calming outdoor oasis in your classroom or daycare with Shady Grove™. Encourage children to spend time relaxing and learning on this inviting carpet.

Breezy Branches™ #1960

Children deserve a beautiful and inspiring place to learn, and this understated carpet is designed to be the foundation of a serene teaching area emphasizing natural colors and minimizing clutter and distraction.

Merry Meadows™ #1961

Let nature be your playground with Merry Meadows™. This colorful carpet is certain to be an oasis of calm in the classroom....perfect for circle time discussions and group activities.

 **One World™ #1745**

We need to teach a respect for nature and our earth to children, and this unique and interesting carpet will be the starting point for wonderful conversations about animals, insects, plants, seasons, recycling and the multi-cultural peoples who inhabit our world.

 Campfire Fun™ #2015

 Tranquil Pond™ #2103

Bring the outdoors in and gather 'round for an afternoon of sharing, storytelling and group activities. Create a dramatic play center where children can go fishing by the pond or cook up some smores at the campfire for an easy camping theme that is certain to delight and entertain.

HOMESCAPES

Canyon Tapestry™ #2176

This distressed Persian rug design will appeal to children and adults alike and create a home-like atmosphere where students can engage in focused, enthusiastic learning.

Mojave Bloom™ #2184

Capture the essence of desert beauty with this distressed floral pattern inspired by the rich hues of the Mojave landscape.

Desert Cameo™ #2177

Designed to evoke feelings of comfort, togetherness, and well-being, this carpet enriches the classroom atmosphere with inviting colors and a cozy, homey aesthetic.

Diamond Oasis™ #2178

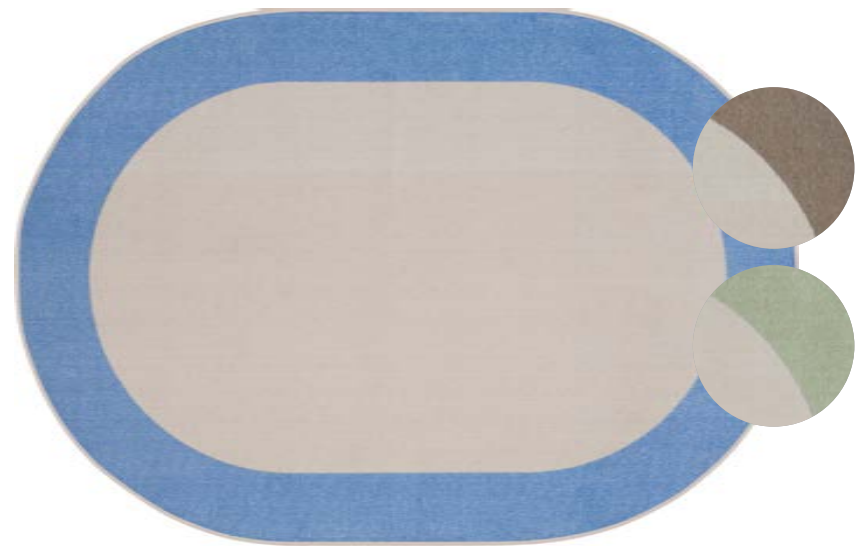

This tribal diamond motif celebrates cultural diversity while infusing any space with a sense of home and warmth.

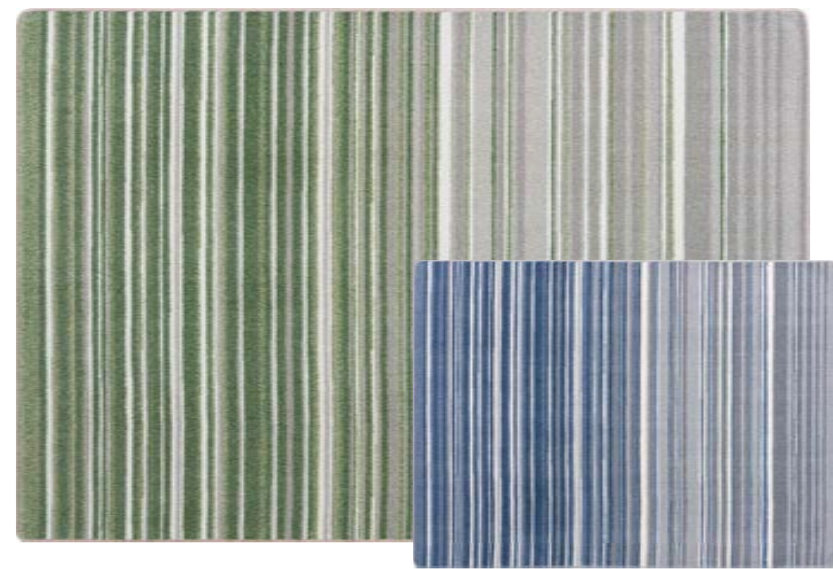

Cozy Corner™ #2185

Easy Going™ #2027

Fine Line™ #2166

Like a breath of fresh air, these understated yet decorative classroom rugs are designed for spaces where less is more. Inspired by natural elements and designed to work in the background rather than take center stage, these rugs introduce color to a classroom in a meaningful but subtle manner and can be easily arranged in ways that define spaces and soften hard surfaces. Offered in a range of size and shape options, they are perfect for creating a comfortable, inviting environment where children will eagerly gather for engaged and inspired learning.

Stretched Thin™ #2130

Attractive Choice™ #2127

Past Tense™ #2034

Above Board™ #2129

Inspired by Scandinavian culture and the concept of contentment and well-being, these understated, decorative rugs are designed to be the foundation of a room that is cozy, inviting, and celebrates the simple pleasures in life. The rugs incorporate natural textures and soft hues to create a fresh atmosphere that exudes the warmth and familiarity of home, calming students and fostering more positive educational results.

EMOTIONAL WELLNESS

Nature Forms™ #2219

NEW!

Still Waters™ #2213

NEW!

These carpets bring quiet balance to learning spaces through organic movement and earthy tones. Inspired by natural elements like flowing water, soft landscapes, and botanical forms, these designs introduce a subtle visual rhythm that feels both calming and engaging without overwhelming the space. Designed to promote calm, focus, and comfort, these rugs create a grounded foundation for classrooms and shared spaces.

Serenity Brook™ #2210

Warm Embrace™ #2211

Peaceful Meadow™ #2212

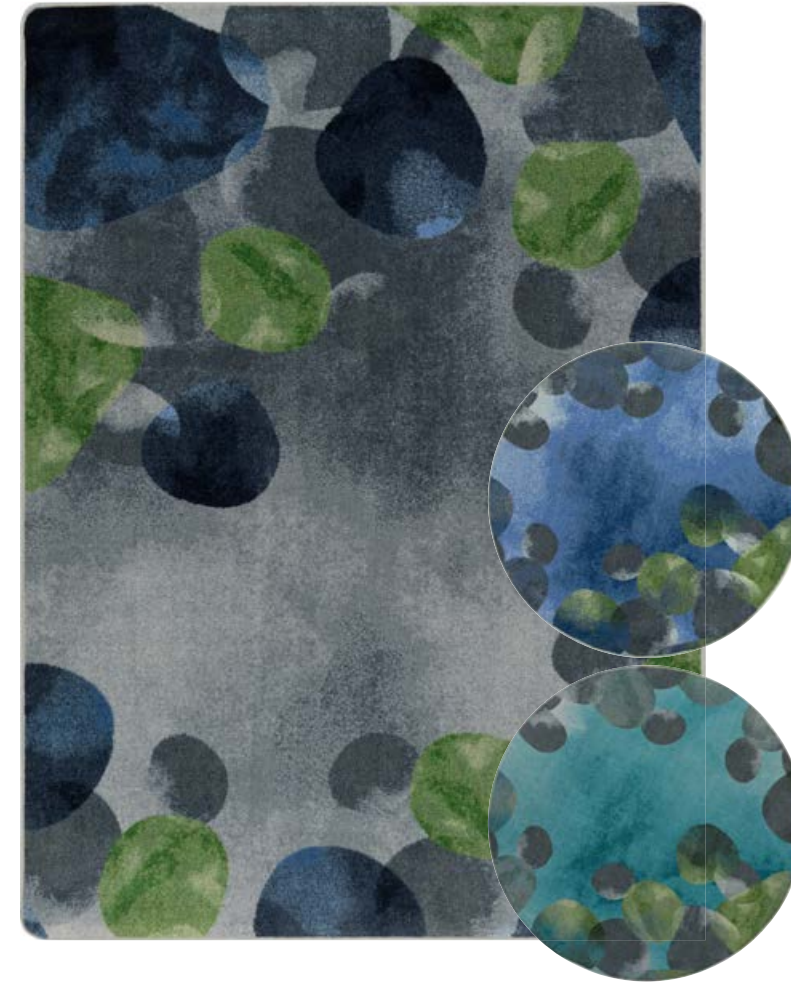

These carpets create a peaceful gathering space with soft flowing forms inspired by nature. Designed to promote calm, focus, and comfort, these round rugs bring a soothing presence to learning environments, helping children feel grounded and at ease.

Riverstone™ #2137

Riverstone™ combines calming organic shapes with gradations of color reminiscent of the weathered, sedimentary rocks found just below the surface of a babbling stream. Children can use this attractive rug with grounding stones to practice breathing and mindfulness techniques, allowing their minds to wander along the riverbank, imagining the movement of the water and the sand between their toes, minimizing stress and anxiety and improving sensory awareness.

Rare Earth™ #2152

Rare Earth™ combines starburst shapes with gradations of color reminiscent of the center of a geode crystal. This attractive rug is designed to aid in minimizing stress and anxiety by improving sensory awareness. Children can practice breathing and mindfulness techniques and promote the flow of positive, calming energy.

Peaceful Pebbles™ #2106

Coastal Canvas™ #2136

Mindful Seating™ #2105

Practice present-moment awareness, and help young students constructively manage their emotions with these calming classroom carpets. Simply designed using natural colors and textures, children can use these attractive rugs as areas to decompress, regain focus, and practice the important skills necessary for sound health and well-being.

 **Feeling Natural™** #1972

Surround children with the natural textures and comforting colors of nature. Feeling Natural™ evokes a sense of freshness and freedom of the outdoors.

Like Home™ #1971

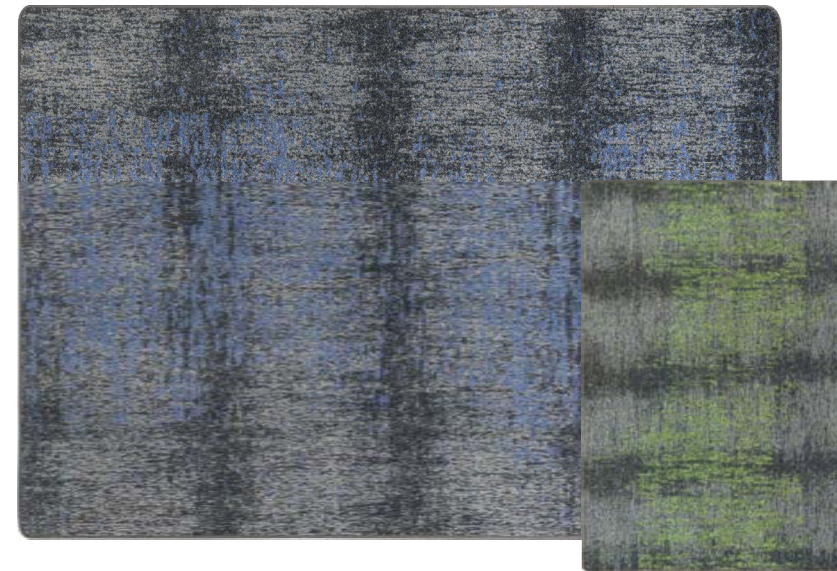

Make your classroom warm and inviting with this faux-braided carpet. Designed with subtlety in mind, this understated carpet will make students feel safe, secure, and comfortable during their daily educational activities.

BIOPHILIC DESIGN

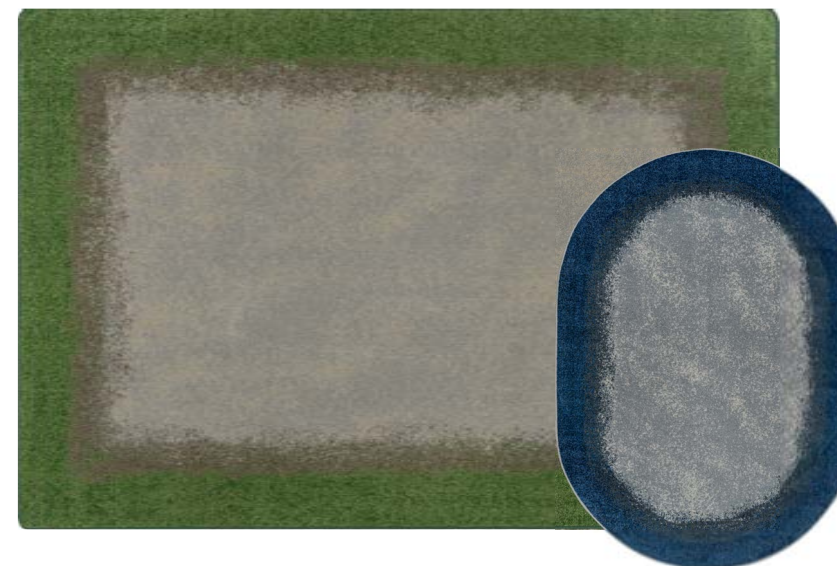

Surface Tension™ #2138

Grown Up™ #2088

Urban Edges™ #2086

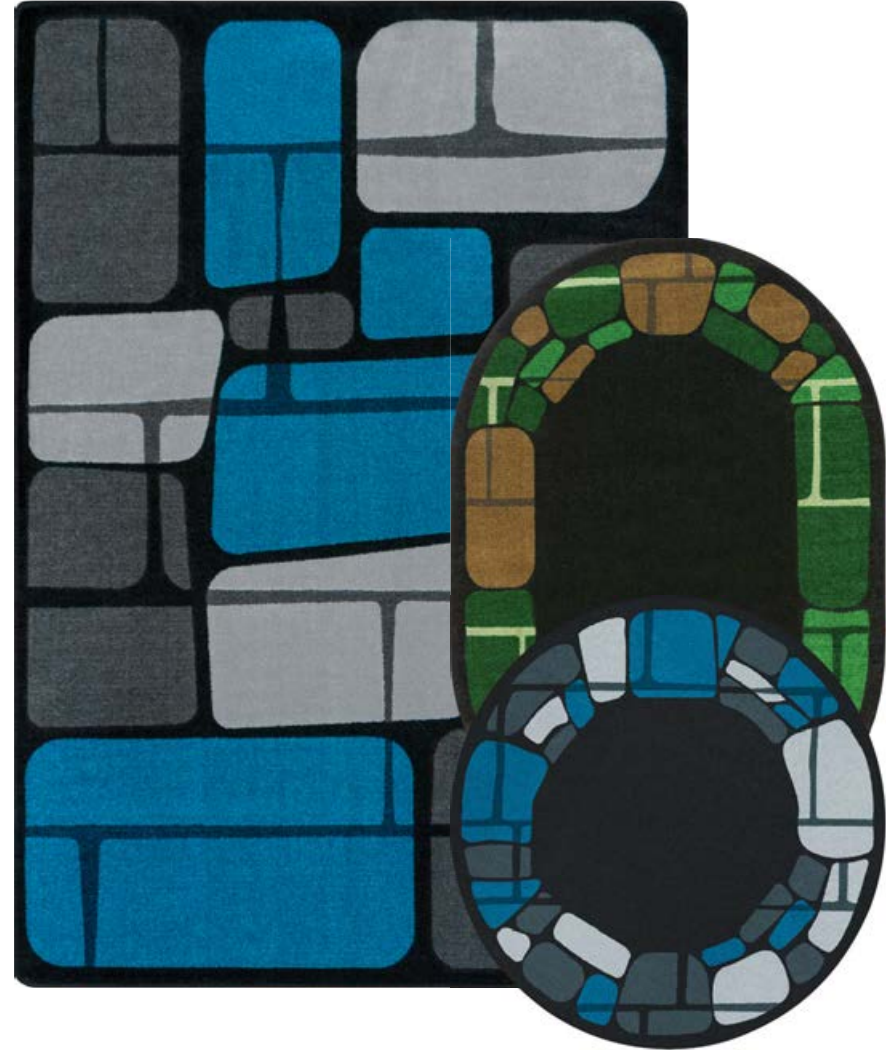

Terra Mae™ #2087

Emphasize our connection to the natural world with these innovative and eye-catching rugs. Utilizing abstract design techniques combined with natural textures and hues, these rugs will transform your floors into a biophilic floorscape that creates a restorative and calming interior while enhancing productivity and well-being.

BioStones™ #2081

BioBlocks™ #2098

Children are creatures of nature and eager to discover and explore this world. Nurture this instinct in the classroom with BioStones™ and BioBlocks™. These unique area rugs incorporate a biophilic color palette anchored by broad organic forms that engage the senses while creating a sense of calm that supports effective teaching and inspired learning.

GreenSpace™ #624

Kick off your shoes and enjoy the relaxing and inviting textures of GreenSpace™. Comfortable, casual, and low-maintenance, this vibrant and versatile artificial grass rug can be used anywhere! Equally capable indoors or out, GreenSpace™ is available in shapes and sizes that will coordinate with a wide range of classroom décor. Manufactured from premium, eco-friendly synthetic fibers, the grass blades are specifically engineered to resist matting and crushing and will maintain their original beauty in even the most active areas.

Gather 'round, kick back, and relax with Joy Carpets' GreenSpace™.

LEARNING COMMONS

Cascade™ #1700

Verve™ #2135

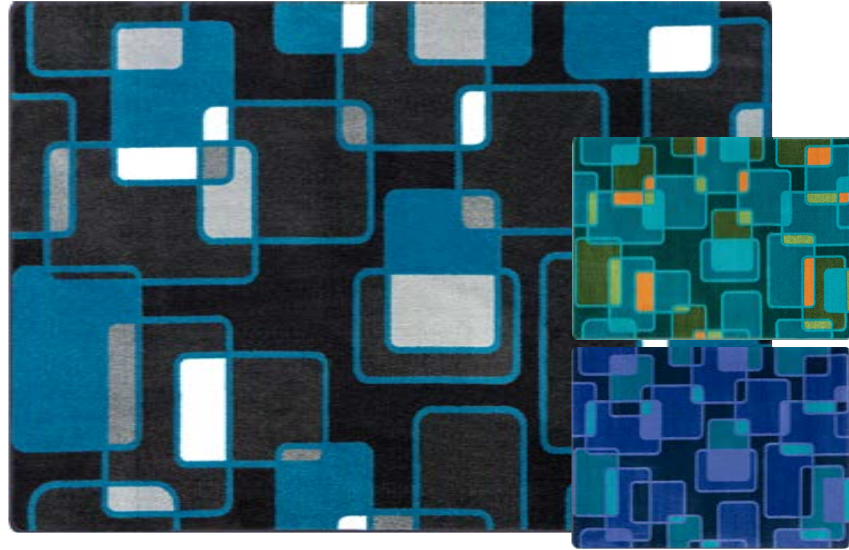

Recoil™ #1702

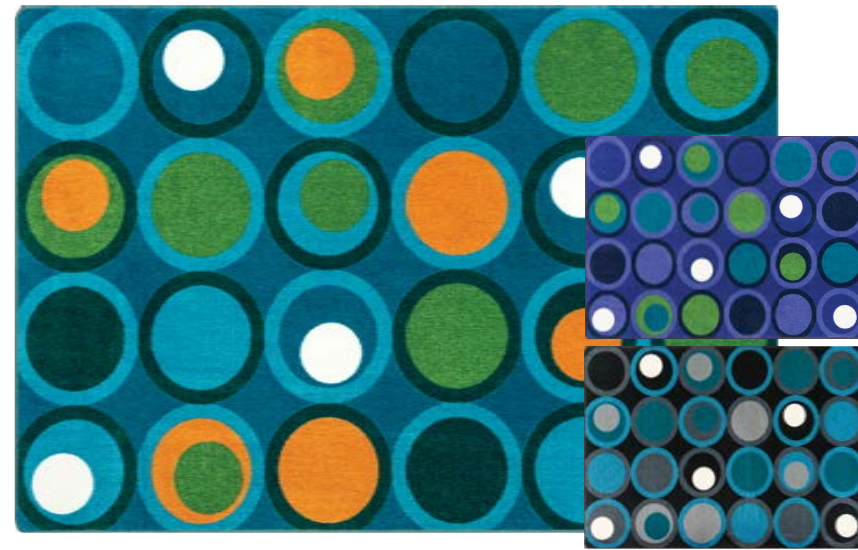

Designed to coordinate with a variety of decor in open, interdisciplinary spaces, these eye-catching rugs are certain to energize and add distinctive flair to any areas that are central hubs of student engagement.

Reflex™ #2070

Circle Back™ #1857

String Along™ #2058

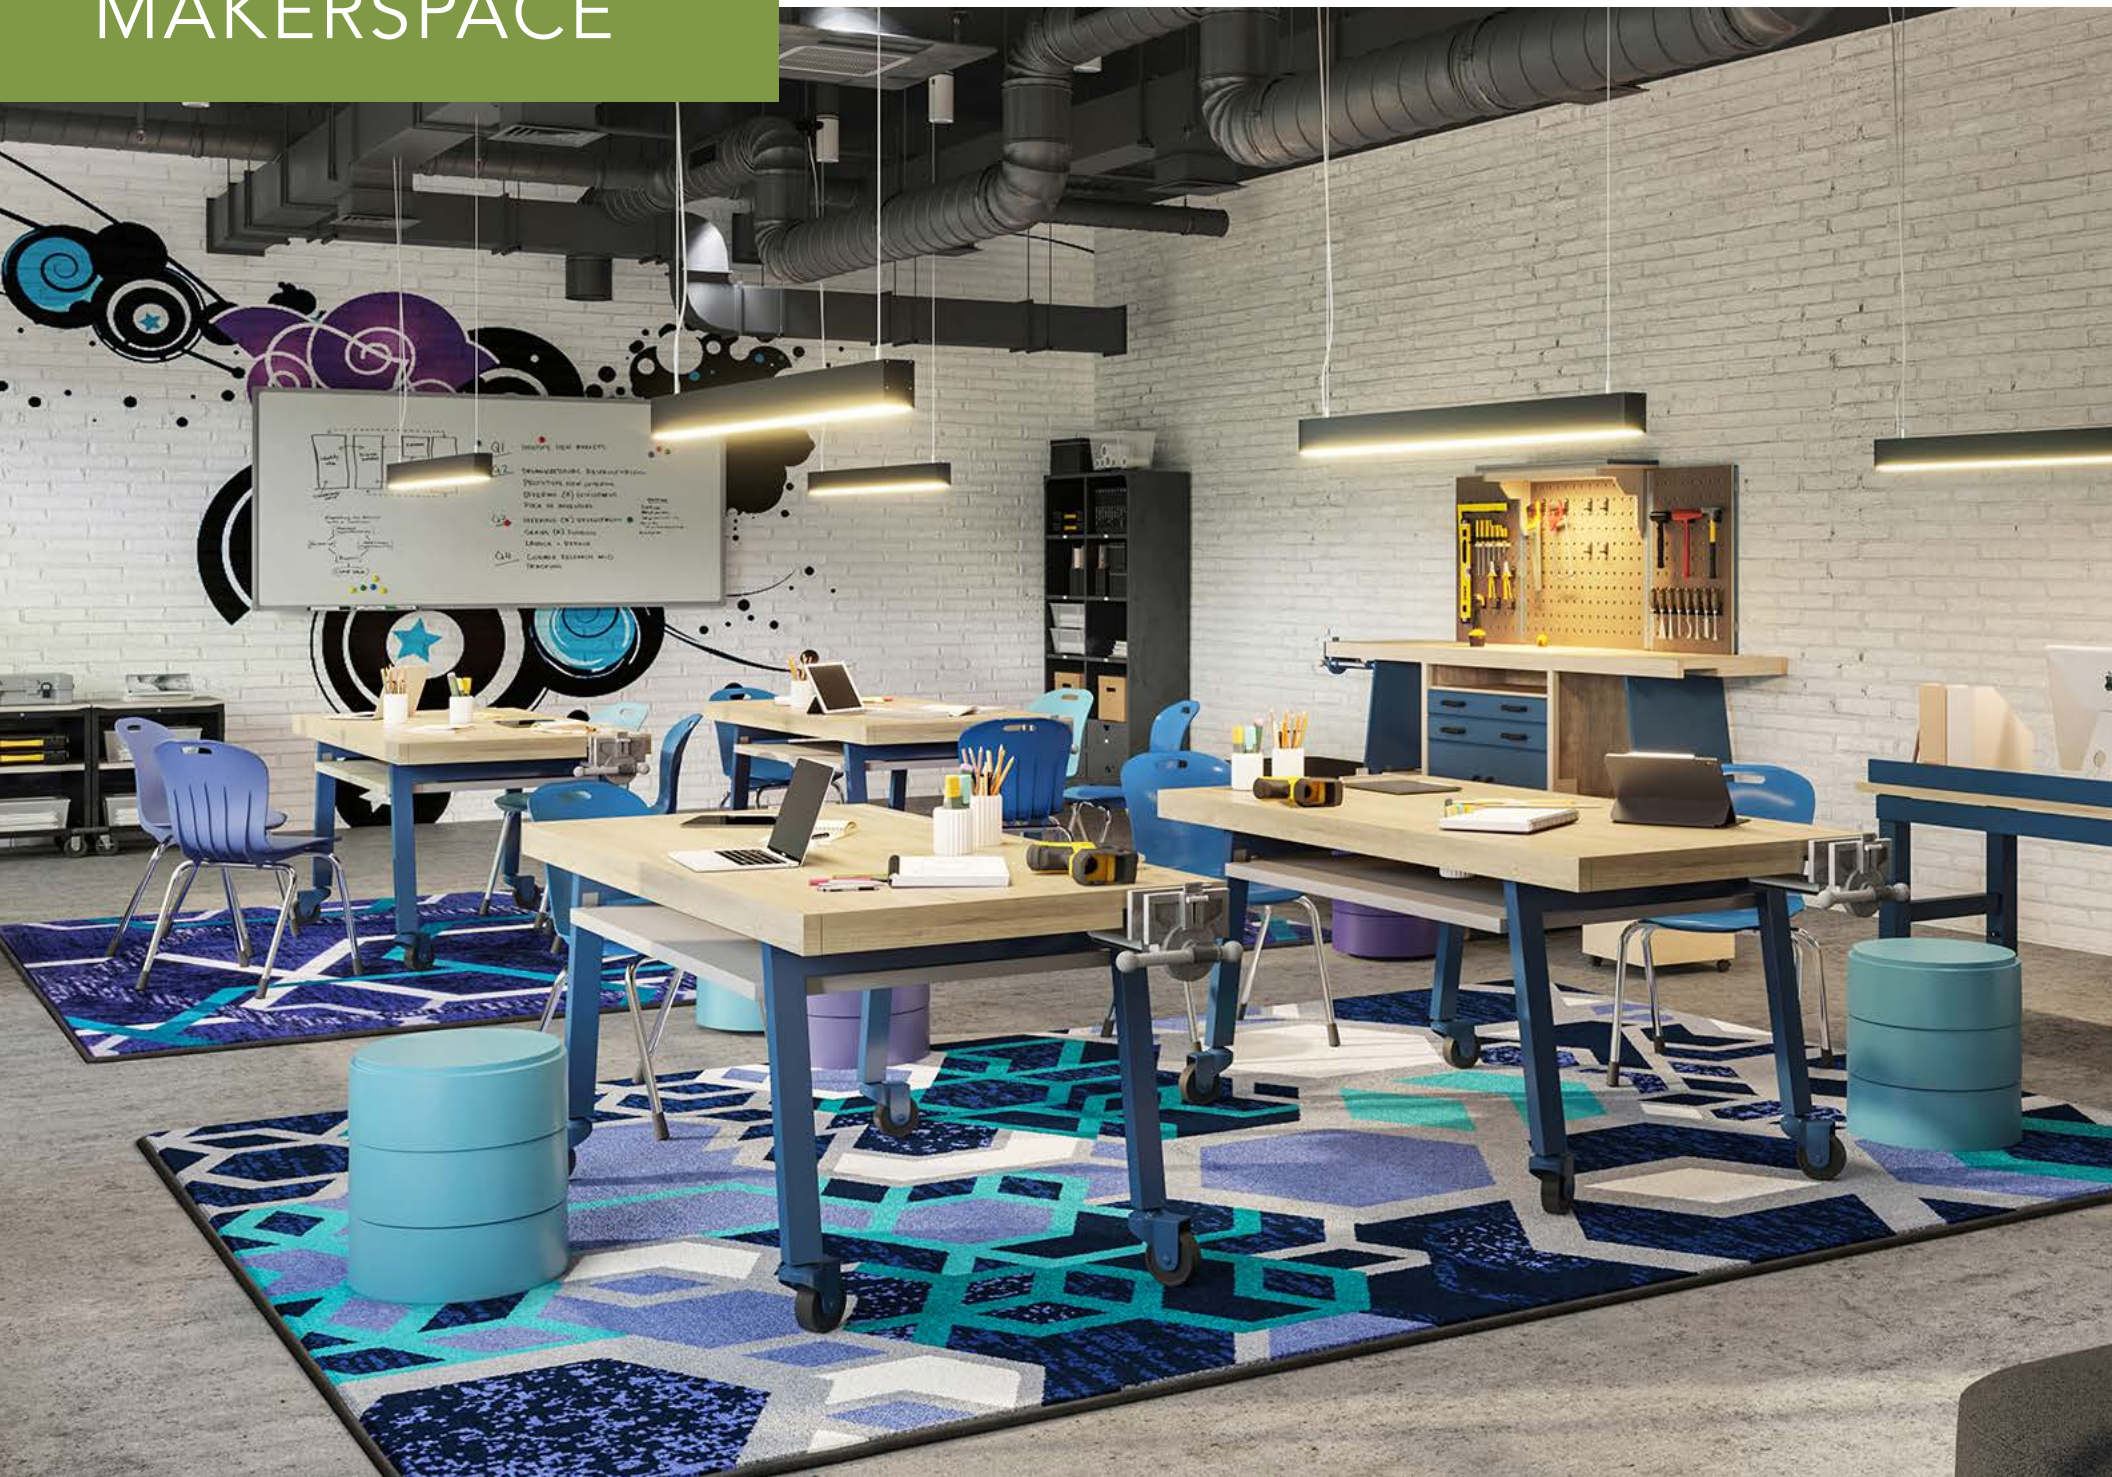

Off Balance™ #1530

Fashion a space for collaboration and relaxation with these brightly colored and thoughtfully designed area rugs. Equally capable as accents under furniture or as space-creators where teens can “kick back,” these high-energy rugs coordinate with modern design trends and are certain to create a welcoming and functional atmosphere for inspired and engaged learning.

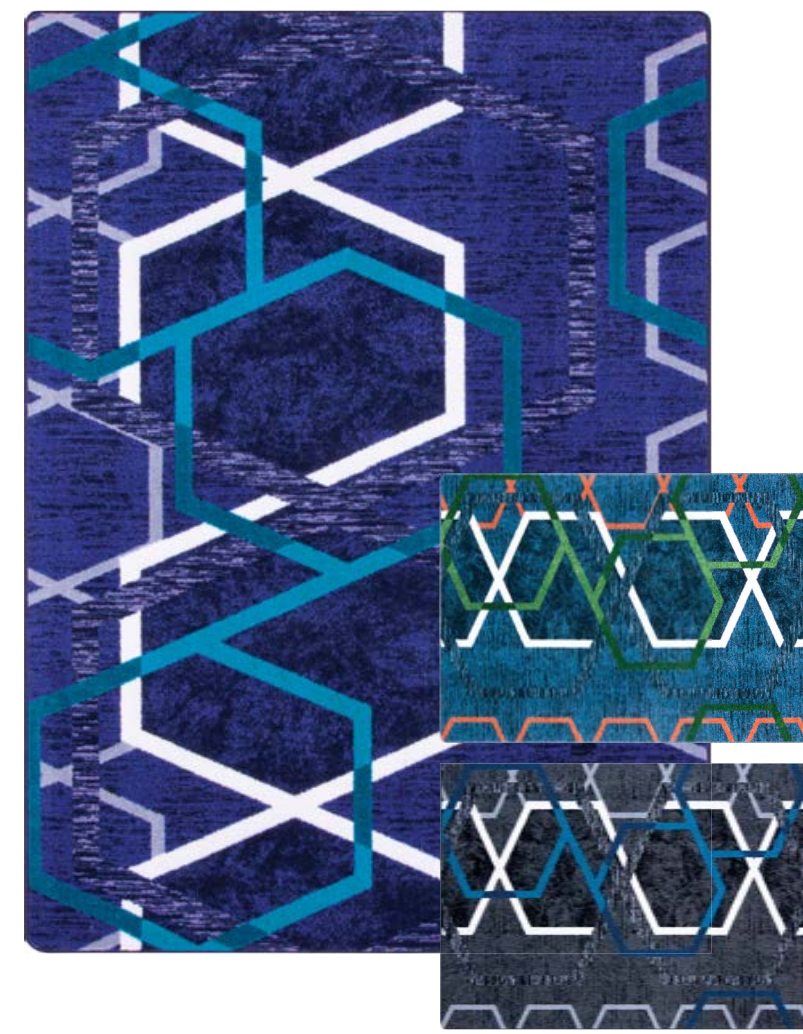

MAKERSPACE

Structured™ #2085

Double Helix™ #1985

Design an attractive, high-energy space where students can unleash their creativity while engaging in 21st century learning. Inspired by science and technology, these exciting area rugs incorporate urban and industrial themes and coordinate with today's most popular makerspace furniture solutions. Whether used as a stand-alone classroom focal point or as an accent item, these decorative area rugs are certain to appeal to students and adults alike.

Stealth™ #2134

Hexed™ #2069

Shifting Gears™ #2071

Transform your floors from ordinary to extraordinary, and foster a sense of engagement and innovation with these eye-catching Makerspace rugs. Combining modern design with high-energy color trends, these rugs will create a signature room with visual impact that will stimulate students' desire to learn, collaborate, and create.

ESPORTS & GAMING

Team Up™ #2139

Breakout™ #2163

Eruption™ #2164

Video gaming on computers, tablets, and phones is a part of everyday life for the majority of kids and teens. Rather than play these games isolated in a room at home, create an eye-catching Esports environment at school that encourages after school, extracurricular activity. Take your Esports space to the next level and motivate and inspire students with these high-energy rugs. Harness students' passion for gaming and channel that energy into a pastime that increases student engagement, fosters team building, and encourages healthy competition.
